

Cradley C.E. Primary School

Believe, belong, be happy: every child, every chance, every day

School Newsletter: Friday 12th July 2024

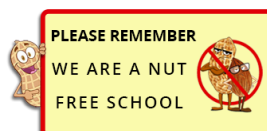

Dear Parents and Carers,

Can you believe that there is just one week left until the summer holidays? With England playing on Sunday evening we have decided to leave registers open until 10.00 am on Monday for our sleepy football fans. School is open as normal but you are welcome to let your child have a short lie in on Monday if necessary. They are also free to come in their own clothes to celebrate England making it to the final. Even with one week to go there is still lots going on. We have transition day on Tuesday where children will move up to their new classes. Teachers will take the time to get to know the children and talk to them about the things that worry them and the things they need from adults to feel happy and safe in school. We will link this to the story of Peter walking on water and ask 'What do you need to help you to step out of the boat?' On Wednesday afternoon you are invited to join us in church for our musical showcase. More details can be found inside. You will be receiving your child's end of year report today. We hope that you are pleased with them. Thanks to the staff for all their hard work with these. Thank you to everyone who supported our summer fair. Together you helped to raise over £1,400 for school. Thank you for all your mufti day donations and also to our HSA for all their hard work—for a small group of people you achieve amazing things. Next week we say goodbye to our wonderful Year 6 children. It only seems like 5 minutes since they were in Reception and already it is time for them to leave us. It has been such a privilege to spend the last 7 years with them and to see them grow into the lovely young people they are today. The children have all done really well in their SATS too and we are so proud. Please join us in church next week as we wish them good luck for the next stage of their journey. Don't forget that, like last year, the church service is the day before we break up on **Thursday 18th July**. Don't forget that that **Friday 19th** is a non uniform day and you are invited to join us for a **picnic lunch at 12.15**. School closes for the summer at **2.00pm** and there is no after school club. Have a great weekend—let's hope it is coming home!

Mrs Harris

Ear piercing and extreme hair cuts

If your child is having their ears pierced over the summer please do this in the **first** week of the holiday so that they are able to take them out for PE lessons in September. Children will **not** be able to take part in PE with earrings in and we **cannot** cover them with plasters. If your child is having any extreme hair styles, e.g. patterns cut into their hair, please ensure these are grown out by September.

Inhalers and medication

If your child has an inhaler or medication in school please make sure that they bring them home on the last day of term. New medication should be sent into school in September. Many thanks
