Year 3	Week 1	Week 2	Week 3	Week 4	Week 5	Week 6	Week 7	Week 8
Autumn 1	**Number and place value** compare and order number up to 1000 Recognise place value of 3 digit numbers	**Number and place value** -compare and order number up to 1000 Recognise place value of 3 digit numbers Count in 10s forwards and backwards count in multiples of 50 and 100	**Calculation-Addition** -add 3 digit to 1 digit/ 2 digit numbers - solve addition problems involving concrete objects or pictorial representations including missing numbers	**Calculation-Subtraction** -subtract 3 digit to 1 digit/ 2 digits numbers solve subtraction problems involving concrete objects or pictorial representations including missing numbers	**Calculation– multiplication** -	**Calculation– Division** -	**Measurement-weight** -Estimate and measure -compare and order	
Autumn 2	**Measurement– Money** -combine amounts to make totals -find change	**Fractions** Recognise find and name 1/3,1/4,2/4,3/4 Bar models Circles	Test week **Measurement– Lengths** -Estimate and measure -compare and order	Test week **Shape — properties**	**Shape– angles , turns –position and direction**	**Measure– time** -days/weeks/years -vocabulary read and tell time -estimate time 5 minute intervals	**Statistics** -pictograms and bar charts -interpret and construct -Answer simple questions	
Spring 1	**Number and place value** - estimation	**Fractions** Recognise find and name 1/3,1/4,2/4,3/4 of objects and quantities	**Measurement– Volume** -Estimate and measure -compare and order	**Calculation– addition/ subtraction** subtract 3 digit to 3 digit numbers solve subtraction problems involving concrete objects or pictorial representations including missing numbers	**Number and place value** **-multiples of 2, 4 and 8 linked to doubling.**	**Measure– time** -read and tell time -estimate time 1 minute intervals		

Spring 2	**Statistics** -tables -interpret and construct -Answer simple questions	**Fractions** Recognise find and name 1/3,1/4,2/4,3/4 of objects and quantities Equivalent fractions	Test week **Calculation–multiplication** -	Test week **Calculation–Division**	**Shape —** **recap and parallel and perpendicular lines**	**Calculation- 4 operations**		
Summer 1	**Number and place value** Multiples of 50 and 100 Multiples of 3	**Calculation-number bonds and fact families** -missing number problems	**Fractions** Equivalent fractions	**Measurement–Money** -combine amounts to make totals -find change	**Statistics** -pictograms and bar charts -interpret and construct -Answer simple questions			
Summer 2	**Calculation-number bonds and fact families** -missing number problems	Test week AFL to determine	Test week AFL to determine	AFL to determine	AFL to determine	AFL to determine
