

# **CRADLEY CE PRIMARY SCHOOL**

## **ACCESSIBILITY ACTION PLAN 2023 - 2026**

## **Rationale**

Under the Equality Act 2010 schools should have an Accessibility Plan. The Equality Act 2010 replaced all existing equality legislation, including the Disability Discrimination Act. The effect of the law is the same as in the past, meaning that “schools cannot unlawfully discriminate against pupils because of sex, race, disability, religion or belief and sexual orientation”.

According to the Equality Act 2010 a person has a disability if:

- (a) He or she has a physical or mental impairment, and
- (b) The impairment has a substantial and long-term adverse effect on his or her ability to carry out normal day-to-day activities.

This plan shows how Cradley CE Primary School aims to increase the accessibility of the school for disabled pupils, staff, parents/carers and visitors.

## **Vision, values and aspirations**

**Our values:** *Respect, caring, courage, trust, perseverance, belonging, forgiveness and resilience.*

**Our vision statement:** *‘Believe, belong, be happy; every child, every chance, every day’*

## **Our aspirations for our children**

### **Believe**

At Cradley Church of England Primary School we believe that every child is made in the image of God and as such is a person of great worth, to be valued and treated with respect. We want our children to believe in themselves and their own abilities so that they can aspire to be the best they can be. As a school we believe in all our children and encourage them to aim high and to follow their dreams. We will help our children to develop resilience, to have the confidence to choose the right path in life, but also to find their way back if they take a wrong turn. We will offer them an encounter with Jesus Christ, support them on a journey of faith and guide them in their spiritual life.

### **Belong**

All relationships at Cradley CE are inspired by the example of Jesus; we aspire to be a welcoming and inclusive community in which all who belong can flourish. Our core Christian values are at the heart of all we do, allowing us to develop a true feeling of belonging and a sense of shared identity. We hope that everyone who comes to Cradley CE feels part of our Cradley family. Our children are encouraged to value and embrace the many local, national and global communities to which they belong and we support each child in developing the qualities of character which will help them to participate in their communities and to grow as responsible, compassionate and caring citizens.

### **Be Happy**

Happiness is the key to success and this knowledge underpins everything we do at Cradley. We want our children to feel safe, secure and happy at school: happy to talk, happy to listen, happy to learn and happy to try new things and take risks. We will help each child to see that they are special and encourage them to value themselves, to be happy with who they are, a unique child of God.

### **Every Child**

At Cradley CE we believe that every child is worthy of love and compassion and should be treated with dignity. We understand that every child is precious, each with their own special talents, needs and abilities. Through our broad and rich curriculum, each child is nurtured in confidence and given the opportunity to succeed, building on their own unique gifts.

### **Every Chance**

At Cradley we believe that each child should have every chance to live life in its fullness and to fulfil their potential. We have high aspirations for all our children and our dedicated staff are committed to providing high quality teaching and learning. We encourage our children to be independent, resilient learners who cope wisely when faced with challenges or difficulties. We work in close partnership with parents and other stakeholders to open up horizons of hope and aspiration so that every child has the best possible chance to succeed and reach their potential.

### **Every Day**

We encounter each new day with the view that anything is possible; each day is a chance to do better, with endless possibilities for our children to fulfil their potential. We encourage our children to make the most of every day and make sure each child has new and exciting opportunities to explore. Inspired by the Christian faith, forgiveness underpins all relationships; children are given a fresh start each day-another chance when they have made a mistake. They are encouraged to be forgiving in their daily lives and to give others another chance too. Through the variety of experiences and opportunities offered every day, our children receive a school experience which prepares them for their journey through life.

Cradley CE Primary School is committed to providing an environment that enables our vision to become reality, ensuring full curriculum access to all, regardless of their physical, sensory, social, spiritual, emotional and cultural needs. We are committed to taking positive action in the spirit of the Equality Act 2010 with regard to disability and to developing a culture of inclusion, support and awareness within the school.

The Cradley CE Primary School Accessibility has been updated following a review of the Access Audit of the School, which remains the responsibility of the governing body. It shows how access is to be improved for disabled pupils, staff and visitors to the school within a given time frame and anticipating the need to make reasonable adjustments to accommodate their needs where practicable. It is structured to complement and support the school's Equality Objectives and action plan.

The Accessibility Plan contains relevant and timely actions to:-

- Increase access to the curriculum for pupils with a disability, expanding the **curriculum** as necessary to ensure that pupils with a disability are as equally prepared for life as are the able-bodied pupils. This covers teaching and learning and the wider curriculum of the school such as participation in after-school clubs, leisure and cultural activities or schools visits. It also covers the provision of specialist or **equipment**, which may assist these pupils in accessing the curriculum within a reasonable timeframe;
- Improve and maintain access to the **physical environment** of the school, adding specialist facilities if required. This covers improvements to the physical environment of the school and physical aids to access education within a reasonable time frame;
- Improve the delivery of **written information** to pupils, staff, parents and visitors with disabilities; examples might include hand-outs, timetables, textbooks and information about the school and school events; the information should be made available in various preferred formats within a reasonable time frame.

### **Contextual Information**

Cradley CE is a one-form entry primary school, housed in a Victorian building which is built on one level. The school has been extended and modernised over the years and has been adapted to make it accessible to all in the following ways:

- A flat pathway has been created to improve access to the both Key Stage One and Key Stage Two playgrounds.
- Wide wheelchair friendly doors fitted
- A disabled toilet has been created

- A disabled parking space has been allocated on the school forecourt
- Yellow marking are painted on steps
- Carpeted areas include strips to highlight slight changes in floor levels

### Current Range of needs

Cradley CE Primary School has children with a range of disabilities which include moderate and specific learning disabilities and complex medical conditions, a hearing impairment or a visual impairment

Here is the accessibility plan and health and safety policy review which needs to go to fabric. Will you put them on the agenda please? There will also be:

- the tree survey
- the play equipment fire drill
- Site manager
- Premises check list - is there anything on here that is out of date which needs addressing? (that excel spread sheet thing)
- Plan for health and safety walk / summer jobs list
- lights quote / spending the funding we've been given
- Progress with PAT testing

Have we done the statutory checks that we used to put in his book this year? If not they need to go too.

Premises security audit - Nov 22

Playground equipment checklist ✓

Trees safety checklist - ~~tree~~ X

Disabled access checklist

security audit - done 7.11.22

Is there anything else you want to put on the agenda? We could do with having a look at the minutes from last time to see what was on there to be done.

Thanks x
