

Reception News

Friday 7th February

This week in Reception

Well done to the children for another super week. We have been busy re-assessing the children's phonics and maths skills this week and have been updating our WellComm assessments too. The children were absolutely fantastic during the 'independent assessed writing' session on Monday and all had a really good go at writing words and captions all on their own. Well done!

Next week in Reception

Sounds of the week

We be reviewing the phase 3 sounds we have learnt.

We will be blending to read longer words using our phase 3 sounds and will be writing words and captions containing these sounds too.

Maths work

Capacity

We will be investigating capacity by pouring, comparing and filling different containers. We will predict and measure the capacity of containers too.

Vocab: capacity, full, empty, half-full

Words of the week

Review

Topic focus: Goldilocks and the three bears

We will be reading our last traditional tale this week. We will be challenged to make a chair for baby bear and will be practising our cutting skills by chopping fruit to go on the top of our porridge.

Snack cafe

Thank you for the donations that have already been sent in for the snack café. Receipts have been placed in bookbags.

Jumpers

We still have a few jumpers in the classroom that are not named. Please let us know if you have lost a jumper as it may be one of the ones we have.

Show and tell

This week the **green group** are invited to bring something in for show and tell on **Monday**.

Homework

This week's homework task is a **handwriting** task. I will upload a short clip onto the class dojo page modelling the formation of the letters to help with the way these letters have been formed in class. Please return books to school by **Wednesday 12th February**.

Don't forget to play some maths games on NumBots and read the online book on Oxford Owl if you can.

Library books

Don't forget to send your library book back into school on Monday so we can change this for a new one.

Wellies

As part of our R.E. work on Friday, we will be thinking about our wonderful world and will be spending some time investigating our natural learning area. We will be thinking about ways to improve this area and will making plans of the things we would like to make during our natural learning sessions after half term.

We know that it may be muddy in this area at this time of year. If possible please can you **send a pair of wellies into school** for your child to wear during this session. We will then keep these wellies in school on your child's peg and they can then wear them during our natural learning sessions each week (more details to follow soon).

Many thanks.
