

# 'All about me'

We would love to learn a little more about your child and to have something in school that they can talk about and show their teachers and classmates when they start school.

Over the holidays, we would like you to make an 'All about me' box. This can be any small box (about the size of a small shoe box) and can be decorated using your child's favourite colours, characters etc.

Inside the box we would like your child to put in some items that tell us a little about them. For example -

- a picture or a photo of their family
- a photo or souvenir from a special trip or holiday
- items linked to their hobbies and interests
- their favourite toy or a picture of this
- any thing else they might like to show their class

Parents, please can you pop a little note inside explaining each item, just in case the children forget.
