Collective Worship

Continuing with our Collective Worship focus on People of God, we shared a further significant moment in the life of Moses. When Moses saw an Israelite slave being mistreated by the Egyptians, he took matters into his own hands. When his actions were found out, he was forced to flee for his life.

We all have moments in our own lives where we try to find solutions to problems by ourselves, work things out in our human strength when there are those around us who can give us help and advice. Sometimes we need to put **trust** in others for advice and support.

“Trust in the Lord with all your heart and lean not your own understanding; in all your ways submit to Him and he will direct your paths.”

Proverbs 3: 5-6

Our Prayer

Dear God,

Thank You that You are always with us and that we can trust You every day.

When we feel worried or unsure, remind us that You are strong and faithful.

Help us to be people others can rely on - to tell the truth, to keep our promises, and to be kind

friends.

May we learn to trust You more, and to be trustworthy in all we do.

Amen.

Pedestrian Gate and Intercom

As you may have seen this week, our new pedestrian gate has been installed and is in the final stages of being connected to power with a new intercom system being installed on Monday. Thank you for bearing with us during this transition time.

Defibrillator and Bleed Kit cabinet

Alongside our new gate, for use by our community, is our crowd-funded defibrillator and bleed kit cabinet. Thanks again to all who made donations to this.

PE Kits

Please can we ask parents to ensure that t-shirts and jumpers worn for PE are plain white (or yellow when using older items) and all tracksuits must be black. No bell bottoms or flared trousers please as these are a trip hazard when playing team games. Trainers should not have flashing lights please.

Many thanks.
