This week...

Reception have been exploring the magic of Bonfire Night, creating beautiful artwork and music inspired by the sparkling fireworks. Their creativity has been truly inspiring!

Year 1 transformed our classroom into a charming toy museum, where pupils enthusiastically shared their favourite toys with friends - a delightful opportunity for storytelling and connection.

Year 2 became young geographers, drawing detailed maps of our local area, developing their understanding of our community and spatial awareness.

Year 3 turned scientists, investigating the fascinating world of reflective materials, bringing curiosity and hands-on learning to their exploration.

Year 4 unleashed their artistic talents, creating stunning drawings of rivers that capture the beauty of natural landscapes.

Year 5 experienced an immersive literary introduction, discovering a mysterious crime scene that will launch their exploration of the classic text 'The Highwayman' - sparking imagination and intrigue!

Year 6 have been making beautiful music, enjoying singing and playing 'Happy' on their recorders - bringing joy and rhythm to their learning.

Collective Worship

We are continuing our worship focus on People of God - those recorded in the Old Testament of the Bible as trying to live their lives in the way God intended when he created mankind.

We considered God's provision for His people for their 40 years in the desert. His people cried out to Him and he supplied 'manna' from heaven and water from rocks to sustain them.

We wondered about when we might cry out to God for help in our circumstances?

Who might we be able to seek help from who we can trust?

How can we be there for those around us who may need help?

Praise for our Pupils

This week, the following pupils have received praise certificates for their achievements:

Y3 - Boadicea and Zak

Y4 - Kai and Arlo

Our Prayer

Dear God,

Thank you that you love and care for us each day.

When things feel difficult and uncertain, help us to trust you like Moses and the Israelites did.

Help us to look out for others who may be struggling, and to share what we have.

Amen.
