

**Cradley Church of England Primary School
Science overview**

	Autumn		Spring		Summer	
Year 1	Seasonal changes					
	Who am I? Animals including the Human Body	Celebrations Materials & Plants	Polar Adventures Animals including the Human Body & Materials	Treasure Island Materials & Plants	Biology Animals including the Human Body	Biology Animals Including the Human Body & Materials <i>(taught through Forest School)</i>
Year 2	Biology – Animals and their habitats		Chemistry – Everyday Materials	Biology – Plants	Biology – Animals and humans	
Year 3	Chemistry – Rocks and fossils	Physics – Light and shadow	Opposites Attract Physics	Food & Our Bodies Biology	Biology—Plants	
Year 4	Biology – Living things and their habitats	Chemistry – States of Matter	Physics – Electricity		Physics – Sound	Biology – Animals and humans - digestive system
Year 5	Chemistry – Properties and changes of materials		Physics – Forces	Physics – Earth and Space	Biology – Animals and humans - Lifecycles	
Year 6	Physics – Electricity	Physics – Light	Classifying Critters Biology	Stay Alive Biology	We're Evolving Biology – Evolution and inheritance
